THEATER @ THE POINTE

Fun at the Parkview Pointe Club House

Residents are cordially invited to the launch of *Theater at the Pointe*, a general introductory meeting where you will learn about the principles driving this community opportunity and the conditions by which to participate. **Wednesday, May 18, 2022 at 7:00 pm in the Great Room at the Club House.**

The goal is to create a community group for *non-professional* theater readings, where you will experience simple body conditioning, discover artistic interpretation and find opportunities for creative development, all while enjoying social interaction with other community members.

This *could* become a *Live Theater Reading Group* that would eventually stage and perform readings or scenes from plays (in the style of Old Radio Theater) at our community events and HOA' special dates.

Previous Theatrical experience is not required, just a commitment to the group, and a sincere interest to explore, learn and most importantly have fun!

The focus is on personal development and theater appreciation. We will explore opportunities for personal growth of every participant while developing mutual respect, compassion, empathy and the appreciation of theater and its characters.

Theater @ The Pointe will have an ongoing weekly meeting *at the Parkview Pointe Club House*, between 6pm - 9pm, with activities like: light warm-ups and stretching, movement, storytelling, poetry, exploring various materials and working on interesting interpretations of different characters. (The depth of exploration will be defined later based on the participant's availability)

The overall purpose of this fun group is to support and develop mental and physical health, while stimulating community participation and engagement. This activity will be at no cost for the participants (*no age limits, just physically stable, interested and enthusiastic people*).

RSVP- Please let Nicole know (she can be reached at 407-239-3404) if you plan to attend as we need to have an idea of the total participants to prepare the room properly for **Wednesday, May 18 at 7:00 pm.**

More details will be shared in this general meeting, as well as a targeted start to this new activity so that you can have an idea of the dynamics of the project and ask questions. Dress comfortably and with comfy shoes.

STAY SAFE IN A DANGEROUS CROWD

Crowds can be scary-and dangerous. Panic can spread quickly, leading to tragedy. Protect yourself against injury when things get ugly by following this advice from the MarketWatch website:

- **Plan ahead.** When you arrive, check out the area. Look for exits and potential bottlenecks. Think through how you'll leave quickly if you have to.
- **Follow the crowd.** If people start surging in a particular direction, don't try to fight it. You could get pushed over and injured by people rushing to get past you. You'll also tire yourself quickly. Travel with the crowd instead of trying to break free.
- **Move at an angle.** Extricate yourself by moving at an angle to

the flow of people. Taking a diagonal path can get you to the edge of the throng where the crowd is less thick and you can get to safety.

- **Find a shelter.** If possible, look for someplace to hide from the crush of people. A pillar or a wall can offer protection from the crowd. So can a car or lamppost if you're outside.
- **Breathe.** Asphyxiation is a real danger in heavy crowds. Give yourself breathing room by holding your arms out in front of you in a boxer's stance. This will keep people from pressing against your chest and smothering you.

THE SECRET OF SUCCESS

A young office clerk received a promotion, but felt unprepared to take on the challenges of his new role. He sought the advice of Mr. Smith, a seasoned and well-respected member of the staff.

"Mr. Smith," the clerk said as he approached the veteran employee seated at his desk. "What is the one thing in your career to which you attribute your success?"

Mr. Smith thought to himself a moment and then said, "Being able to make the right decision at the right time really helped me get ahead."

This prompted more questions from the clerk. "What helped you make the right decisions?"

"Well, experience goes a long way in helping you make the right decisions," replied Mr. Smith.

"But how do you know which experiences are the right experiences that will help you make the right decisions?" the young clerk asked. "You don't," Mr. Smith replied.

"Usually, you make the wrong decisions, and then you learn."

Out and About In Our Community

Submitted by Joe Grelish

Friends and Neighbors,
Here it is May 1, 2022. One third of this calendar year is gone and June 1st is 30 days away.

Prayerfully all of you are working feverishly on your hurricane preparation as you were reminded last month. You still have time. The Orange County Sheriff, the HOA's and our neighbors identified several issues that must be rectified. The streets and citizens of Williamsburg are experiencing challenges that are endangering our first responders and homeowners. The issues identified by the Orange County Sheriff are as follows:

- Menacing vehicular recklessness of up to several vehicles laying donuts during the wee hours throughout Williamsburg. OCS requests you call them immediately on 911. DO NOT ENGAGE these individuals!
- Too many vehicles parked inappropriately. Cars parked on opposite sides of some streets are not leaving enough room for larger emergency vehicles, Orange County Waste Management vehicles and delivery vehicles to pass safely. Homeowners are requested to park all their vehicles in their driveway or in such a manner as to NOT impede aforementioned vehicles. Vehicles may be receiving tickets or possibly towed. Those decisions will be made by the first responders on duty.
- All homeowners are reminded to always use sidewalks. Walking in the street is against county ordinances in all cases, if there is a sidewalk available. If there is a problem with a section of sidewalk that may affect your health, report it to the county for repair. First responders may start ticketing people for non compliance. Where there is no sidewalk available and you must walk on the street, please walk facing traffic. Walking facing traffic will save your life. Williamsburg doesn't want any citizen in the hospital or cemetery. These requests are within the law and to protect you, our neighbor and friend. The ordinances are for your safety and the safety of every one of your neighbors.

Please adjust your personal situation accordingly and help each other. Remember, not everyone reads this newsletter, so reach out to your neighbors, make a new friend and help them. We are all in this life together and we all share this piece of paradise.

Until next month my friends, enjoy every day, stay positive and faithful!
