The Parkview Homeowner's Board Met on October 20th, 2022.
Patty Yoak, President, called the meeting to order, followed by the pledge of elegance, and then by:

- **President's Remarks:**

- o Rich Richardson did a yeoman's job preparing the clubhouse and pools for the hurricane. Rich surveyed the property after the storm and reported back to the President.
- o Rich patched and painted the kitchen with the items on hand.
- o Rich is going to try to clean the pool furniture in an effort to avoid future replacement.
- o Patty thanked Rich on behalf of the board for all he has done for our community.

- **Committee Reports:**

- o Architectural Committee: Many roofs being replaced.
- o Social Committee:
 - Garage Sale is scheduled for October 29, 2022.
 - Community Decorating Clubhouse - December 3rd, 2022. Everyone is welcome!

- **Business:**

- o A discussion took place regarding which company could best handle the alarm system for Parkview. It was decided that Lane Electronics contract would be accepted.
- o The 2023 Budget was discussed. The following items were discussed:
 - Telephone & Internet - to be reviewed for alternatives that cost less.
 - Gas for the Spa. The board is considering not heating the spa during winter months.
 - 3 contracts come due mid-2023, raising costs vs budget were addressed.
 - Increase in due for 2023 was addressed and the board voted to increase the monthly dues by \$5.00 per month.
 - Holiday Party was brought up by members in attendance. With the unforeseen rising costs this year, the funds were diverted to assist with general expenses and to avoid assessing homeowners to meet current expenses. In light of the fact that rising costs will continue into 2023, it was suggested that in the future all social events might be "Pay if you come" and the budgeted money could be used for more extensive advertising so that all homeowners are made aware of the events taking place.
 - Welcoming Package for new homeowners was brought up. In the earlier years of the development, a "Welcome Wagon" group prepared and distributed a welcoming package to new homeowners which included some form of food, a community phone directory, etc. This concept was looked at by the Social Committee, however when it was reviewed many issues arose including the fact that many homeowners do not want their information published. With Facebook, Twitter and the like, individuals can put out whatever they deem fit about their own family and the time, manpower and expense required to complete this

BOARD MEETING CONTINUED

task were not feasible at that time. The Social Committee has provided cards and cookies to several shut ins over this past year.

- New Homeowner's renting their property was another topic addressed. As noted in the meeting, the new homeowner is advised by the realtor, if one is use, as to what the rules are regarding renting, i.e., not renting the property until they have personally occupied the property for 12 months is a requirement. In addition, the board reminded the audience that Air B&Bs (Air Bed and Breakfasts) are not permitted in Orange County.
- The board voted to accept Great Room Rental applications who have completed all the necessary steps and made the certified deposit on the room without having to bring each request to the board. If anyone is interested in renting the room, please contact Steve Slocum @ 407-342-9388 or by email @ sslocum@cfl.rr.com.
- Landscaping was once again addressed by the board. People with complaints are asked to address their concerns in writing to Nicole in the office. The written complaints are taken by the Landscaping Manager and reviewed every Tuesday, along with call ins, however written complaints are requested so that nothing gets lost in the translation. Pete Purdy has been working with the Tri-Choice, our Landscapers, and he explained the difference between edging and trimming. This is what Pete had to say:

"There seems to be some confusion when it comes to edging and trimming of people's lawns. Edging is done around hard surfaces, such as sidewalks, curbs and driveways. Trimming (string trimming) is done around light poles, house foundations, flowerbeds, and mailboxes. Tri-Choice will not do any edging around paver driveways or any ornamental paver sidewalks or patios.

If you have a complaint, put it in writing and give it to Nicole. Please, describe your concern, but please use the correct terminology."

- Remember, starting in November the lawn crew will only mow every other week, so on the off week they will work at the list of complaints and cleaning up areas throughout Parkview that have not been addressed in the past.
 - Debris along the curbs was addressed. The small stuff has been picked up and the larger tree branches will be addressed by the county as soon as a mulching truck is available.
- Remember, the board meetings are held on the 3rd Thursday of each month, at the clubhouse, at 7:00 PM. The board apologies to anyone who attempted to sign on for the October meeting and could not hear this meeting. A new passcode was issued by zoom which will be included in our notice for next month's meeting.

Fall weather is approaching if any residents have a street light down in front of your home or street light bulb is out please contact Duke Energy at 407-629-1010 or you may go onto Duke Energy website to report street light. Management would like to remind all homeowners that adhering to the association's covenants is important in any deed-restricted community. Rules and Regulations are what keep neighborhoods clean, safe and well maintained. As a reminder, all homeowners are required to submit an ARC (Architectural Review Committee) application before beginning any project that will change the exterior appearance of the home. These procedures are in place to protect the owner and the Association from costly and unnecessary legal expenses or any incorrect installations which may have to be removed. ARC applications are available at the clubhouse and on the parkviewpointe.com website. Your cooperation and assistance is greatly appreciated.

Residents and guests please make sure you are driving the speed limit of 25 mph in Parkview Pointe community for everyone's safety.

With the holidays approaching, decorations and lights will soon be going up so the association would like to remind everyone that all exterior decorations must be removed 30 days from the date of holiday. Also, please remember to test your smoke

From the President

by Ken Benson

Greetings Fellow Williamsburg Residents! Williamsburg Homeowner's Association (WHOA) has a new Board of Directors: **President Ken Benson of Lime Tree, Vice President Liz Norfolk of Somerset, Secretary Donna Finklestein of Lake Ridge, and Treasurer Jessica Yong of Waterview.**

In addition to maintaining our community entrance and other common elements of our community, we also maintain regular communication with Orange County government and Sherriff's Office, Valencia Water Control District, and Universal Studios with the help of our Liaison and Secretary Donna Finklestein. Here's a list of our recent accomplishments:

In May Universal Studios donated all materials, labor and landscaping to renovate our entrance signs. Many thanks to them and Donna Finklestein, who was instrumental in working with them to make this long term goal a reality.

In August Donna and Liz attended the Orange County Traffic Study meeting at Lake Ridge Club. Traffic issues persist and our traffic light at Orangewood and Gateway is slated for 2024.

In September Liz, Donna, and I attended the Valencia Water Control District meeting at Lake Ridge Club. A water permit was granted for redevelopment of a property on Westwood Drive and maintenance of our main drainage canals is scheduled. During Hurricane Ian those canals served us well, as we had no widespread flooding.

In September I hired a company to trim 39 palms and remove 5 dead trees in the common area along Orangewood Blvd between the entrance signs and Gateway Ave. This fortuitously happened a couple of weeks before Hurricane Ian struck. I also have donated 15 hours of my time cleaning debris from this area both before and after the hurricane.

We are grateful for the funding from 5 of the 7 Williamsburg villages and donations from some residents. Future donations can be made out to Williamsburg Homeowner's

Association and sent to our new mailing address at P.O. Box 690013, Orlando, FL 32869. Please urge your village Board to support WHOA.

We meet quarterly on the third Tuesday of the month at 7:00 at Lime Tree Clubhouse, 5303 Gateway Ave. Our next meeting is Tuesday, November 29, 2022. Anyone interested in joining our Board can contact me at kennethbenson1@att.net. Thanks for reading and most of all, for your continued support.

NOVEMBER HOLIDAYS

American Diabetes Month. For the millions of people at risk for diabetes, November is a time to get educated, find resources, and make sure everyone is aware of their risk. And for the millions of people living with diabetes, it's a chance to tell their stories and awaken the world.

National Epilepsy Awareness Month. One in 10 people will have a seizure in life, and one in 26 will develop epilepsy during their lifetime. Emotional health is important for people with epilepsy, along with their family members, caregivers, and friends. With the power of community, we can bring hope to everyone experiencing the challenges of epilepsy.

National Native American Heritage Month. What started at the turn of the century as an effort to win a day of recognition for the first Americans and the significant contributions they made to the establishment and growth of the United States has resulted in a whole month dedicated to that purpose.

National Runaway Prevention Month. National Runaway Prevention Month is a public awareness campaign designed to spotlight the experiences of runaway and homeless youth who too often remain invisible, and to highlight the resources available to support youth in crisis around the nation.

FOLLOW THESE HABITS FOR A LONG LIFE

All of us want to live a long and healthy life. Fortunately, it's not just

a matter of genetics and luck. CNN suggests taking these steps for safeguarding your health and happiness for a long time to come:

- See your doctor regularly. Get screenings for prediabetes and other health conditions so you can take action before a problem becomes serious. Consistent visits help you and your doctor get to know each other, building trust and allowing your doctor to spot potential problems early.

- Exercise consistently. Regular physical activity can reduce your risk of high blood pressure, heart disease, stroke, and other complications as you grow older. Try to get about two and a half hours of moderate to vigorous exercise a week to stay fit.

- Eat right. Limit your consumption of processed foods and eat more fruits, vegetables, legumes, whole grains, and nuts. Your plate should be at least half fruits and/or vegetables at mealtimes. A plant-based diet supplies more antioxidants, which relieve stress and fight the buildup of plaque in your arteries.

- Pay attention to mental health. Stress, anxiety, depression, and other mental health issues can have a negative impact on sleep, digestion, and your overall physical health. Practice meditation and other relaxation techniques. See a therapist to deal with underlying issues.

- Get enough sleep. Lack of sleep can lead to higher levels of stress hormones, blood sugar, and blood pressure. Get at least seven hours of sleep every night. Regular exercise and a consistent sleep routine can help.

- Cut down on alcohol and cigarettes. Heavy alcohol use can cause

weight gain, high blood sugar, heart disease and more. Tobacco use increases your risk of different types of cancers. Limit or eliminate your use of both substances to extend your lifespan.

WHAT WE LIKE ABOUT ICE CREAM

Everybody loves ice cream, but what flavor is our favorite? The International Dairy Foods Association surveyed ice cream makers and processors from its membership, along with 1,000 consumers, to find out. Among makers and sellers of ice cream, the top flavors are:

1. Cookies and cream
2. Vanilla
3. Chocolate
4. Mint chocolate chip
5. Strawberry

However, among consumers, the top five are:

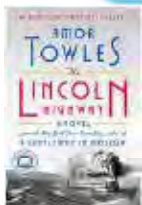

1. Chocolate
2. Cookies and cream
3. Vanilla
4. Strawberry
5. Chocolate chip

In other results, the survey found consumers prefer waffle cones to sugar cones (32% to 12%), although more consumers (37%) prefer eating ice cream from a bowl. Chocolate is most popular topping sauce at 26%, followed by caramel at 18%. For dry toppings, nuts are the favorite—15%—followed by sprinkles (14%). For those who like fruit topping, strawberries are tops—48%—and bananas come in second, at 36%.
