Board Message

by Steve Slocum, Director

Parkview Pointe Social Committee is meeting to discuss the 2023 calendar of events. Normally the garage sales are scheduled for Spring and Fall, however since Orange County will not let anyone have a garage sale until 6 full months goes by, we are considering only one sale this year since the second sale would end up in late November or December. We have been working with Waterview to schedule our sale with them and with any luck some of the other communities will join us so we can have one multiple community sale this year. Other topics on the agenda are the Spring BBQ and the end of year Holiday Party. If anyone has suggestions of other events that we can plan, please let us know.

Last fall we did shut in cards accompanied by a box of cookies. If you know of a shut in within Parkview, please send us their name and address. Nicole will also accept this information on behalf of the Social Committee.

Last but not least, don't forget to sign up for the clubhouse for your graduation parties, baby showers, wedding receptions, etc. We've had 3 events there in the past 6 months, all very successful and each highly recommends using the facility. Please contact Steve Slocum via email: sslocum@cfl.rr.com or text message @ 407-342-9388 for more information.

Please remember, the board members, ARC Committee members and the Social Committee members are homeowners who volunteer their time to keep the community a nice place to live. Remember, all these volunteers have your best interests in mind, even though it takes some time to get to the solution. The board guidelines require multiple bids in order to secure a contractor to get the work completed. As we saw with the pool heater replacement, many companies do not bid work anymore due to the high costs, overloaded schedules, and lack of personnel since COVID hit. There is no conspiracy involved, it is just the way it is these days.

NOTES FROM

GREYSTONE
MANAGEMENT COMPANY

*Kristina Zelik, LCAM,
Greystone Management*

During the February Board of Directors meeting, the Board provided the community with updates. The Pickle Ball (2) courts are projected for install in April or May of 2023. Duke Energy is still working through the neighborhood with new light pole installations. If the light is too bright, we have been informed that you may contact the Orange County Comptroller to request a dimer light. The Board of Directors approved the pool heater replacement, scheduled Monday, February 20, 2023. Options for cable/streaming service for the Clubhouse are being researched and considered.

The Groundhog may have predicted 6 more weeks of winter

but, nevertheless, Spring is still just around the corner. It is a GREAT time for residents to start looking at exterior cleanliness. Common issues noticed throughout the community are multiple areas of exterior walls, drip edge, fascia, soffits, driveway, sidewalks, and aprons/parkway in need of cleaning/pressure washing. Residents are responsible for weeds or overgrowth of trees/shrubs. It is recommended that residents handle regular landscape maintenance to remove weeds and trim trees/shrubs. Trash bins, recycle bins, yard waste and or other misc. clutter, trash bags, debris, must be stored or kept out of sight until collection day. Trash, Recycling, and yard waste should not be placed at the curb until after 6pm the night before collection day and must be stored/kept out of sight after collection (same day).

Please remember to complete an ARC application BEFORE starting any exterior alteration projects. If you have any questions regarding ARC applications and or the process, please reach out to the onsite business office at hoaparkviewpointe@gmail.com. The Application can also be found on Parkview Pointe's website, ParkviewPointe.com.

We appreciate your support and cooperation with keeping Parkview Pointe a GREAT place to live, relax, and enjoy!

Hello Members, soon Spring is approaching and it will be a very busy one I am sure. Our membership continues to grow with new members and I am very pleased to see that. Our annual tournament will be coming up in March on the 22nd. After that we will be planning our yearly awards dinner in April. We will have an opportunity to sit and visit with each other and enjoy a nice dinner. More information will be forthcoming.

The membership fee to the WGA is \$20.00 yearly. Three rounds of play are necessary to establish a handicap. Once you get your handicap you pay an additional \$5.00 per round for the league play. First place pays \$6.00 per man/woman, per team, Second place pays \$5.00 and Third place pays \$4.00. The fees mentioned above are in addition to your greens fees to Remington Golf Club.

Closest to the pin winners receive \$10 on a Par 3. If you or anyone you know are interested in joining the league please feel free to call or text me (Santiago) at 502-376-2995.

Closest to the Pin:

Santiago Lopez, Bill Marcontell, Roberto Rivera, Santiago Arroyo, Jose Soto, Pablo Vazquez, William Biaggi, Ira Fleckman, William Flores, Joe Labella and Juan Ruiz.

Thought for upcoming tax season: The only thing that causes more cheating than golf is income taxes!

TAME OUT-OF-CONTROL DEBT

Debt can feel like a hungry monster with a never-ending appetite. The MSN Money website has some advice for getting control of your debts before they eat you alive:

- **Consolidate your debts.** If you've got a lot of high-interest debts to keep track of, consider taking out a loan at a lower interest rate. You can pay off your debts and only have one bill to manage. For credit cards, transfer your balances to one with a lower interest (just watch out for balance transfer fees).
- **Pay more than the minimum.** If you can't pay off the full balance on your credit cards every month, at least don't fall into the trap of making only the minimum payment. Paying beyond the balance will save you money on interest in the long term, and help you pay off the entire debt more quickly.
- **Go for small victories.** Start by paying off your smallest, lowest-interest debts first instead of attacking the big ones. They're easier to take care of, and you'll have more money to apply to your larger debts. Plus, you'll get a morale boost from seeing your debt load diminish.
- **Negotiate.** If you contact a creditor directly and explain your situation, you can sometimes collaborate on a payment schedule for less than what you owe. It's worth a shot.
