## President's Message

by Warren Murphy, President

It's my sincerest hope that by the time everyone is reading this article that life in our country and in our community will be back to normal. With the new normal of practicing "social distancing" it's still important that we continue to check on our neighbors and especially those that are homebound.

I would like to thank each member of the Board of Directors for the tough decisions that they have had to make regarding our community. The closing of the clubhouse, fitness room, and pools was made after careful thought and with the council of our attorneys. We have a responsibility to provide our homeowners, our guests, and our staff with safe facilities. I hope that all of our facilities are open soon.

There was no Board of Directors Meeting in March. We will keep everyone informed concerning our meeting in April. If you have ARC requests please email those to Nicole or turn them in to the office. The ARC Committee can act on those requests via email. If you have other HOA related concerns or issues please contact Nicole. The office number is 407-239-3404 and the email address is hoaparkviewpointe@gmail.com. We return to weekly mowing starting the second week of April. Now that we have began daylight savings time we can water our lawns twice a week. For odd-num-

bered homes you may water on Wednesday and Saturday and for even-numbered homes on Thursday and Sunday. The best time to water your lawn is early in the morning before 10am.

Everyone has been doing a good job of submitting ARC requests before starting projects on the outside of your home. Those forms are available in the office, the newsletter, and our website. Now is a great time to take care of many of those projects in and around our homes.

I hope that everyone stays healthy and safe.

## NOTES FROM GREYSTONE

MANAGEMENT COMPANY

*Craig Williams, LCAM,  
Greystone Management*

Now that spring and warm weather is finally here, it's a great time to look around the home for any exterior maintenance that may be needed. Roof and driveway cleaning is always something that requires constant vigilance. Mailbox cleaning, painting, or repair is another maintenance issue that is sometimes overlooked.

With warmer and warmer temperatures also comes more weed growth in the flower beds. Now is the time to have a lawn care person apply a weed control product or simply DIT. Keeping your shrub and flower beds free of weeds deepens the community looking great.

## MANAGEMENT MESSAGE CONTINUED

Just a friendly reminder that pets should always be on a leash when outside their owner's home. Please be courteous and make sure to keep them off of your neighbors' lawns if possible. Please have pet waste bags with you at all times when walking and exercising your pets.

Everyone stay safe and healthy! As always, we like to hear from you! Please contact Greystone Management by email at [hoaparkviewpointe@gmail.com](mailto:hoaparkviewpointe@gmail.com) with any comments or questions.

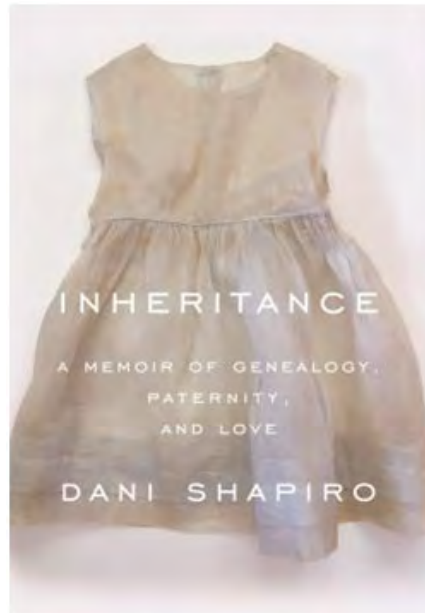

## BOOK DISCUSSION GROUP

"Think about all those times you wanted to talk about a book, and no one else had read it! Think about all of those killer literary references you wanted to make, but you couldn't because no one else cared about Margaret Atwood! Just imagine how beautiful it would be to sit down with other people who actually want to hear your opinion on *Sense and Sensibility*! Never again will you have to make literary rants to your confused cat, because book clubs are all about talking about books." Charlotte Ahlin, *Bustle.com*.

Join us on April 13th at 1:00 pm in the Game Room! The month's selection is non-fiction: *Inheritance - A Memoir of Genealogy, Paternity and Love* by Dani Shapiro: "[A] real-time exploration of the staggering discovery [the author made] about her father, and her struggle to piece

together the hidden story of her own life." (Provided by publisher)

## MOLD & MILDEW KILLER FORMULA

2 cups White Vinegar  
2 cups Hydrogen Peroxide  
¼ cup Boric Acid Powder (Poison)  
Mix in jug/container that can be tightly capped. Takes some stirring or shaking to dissolve the Boric acid powder in the liquid, but can be done. Mix only what you expect to use as this loses its strength soon after mixed up.

Put amount to be used in a spray bottle. Spray on effected surface and let stand 10 minutes then wipe down or rinse off.

For heavy infestations, repeat this process. Best to do on periodic basis to keep new mold and mildew under control.

Boric Acid can be purchased at local hardware stores, Dollar General or other big box stores in a bright yellow round plastic container. This powder is good to sprinkle under sinks or leave some in a shallow screw type lid to ward off cock roaches. Not safe for kids to access so take precaution.

## WHOA EXPENSES

WHOA's biggest expenses in 2019 was \$21,000 for the mowing of the medians and \$18,470 to renovate the median irrigations systems. To date, water service has been restored to all 22 medians under WHOA's care and the irrigation system is operational on 11 of the islands. The irrigation system on the remaining 11 islands will require additional controllers, sealing of water line leaks, and replacement of defective sprinkler heads. This work is being deferred until funding is available.

WHOA also spent \$1,200 in funds to improve the lighting for the Williamsburg signs as well as some interim cleaning. Further renovation work on the signs is on hold pending available funding.

WHOA incurred a \$6,774 deficit for 2019 and funded the renovation work in part from its reserves. Lake Ridge and Win-Gate have not participated in WHOA during 2019 which has contributed to the deficit. In effect, the other villages in Williamsburg are subsidizing Lake Ridge and Win-Gate's non-payment of fees.

## A Note From Your Newsletter Publisher:

We are **Community Media** – the publisher of your community newsletter.

We hope that you all are staying safe during the coronavirus pandemic. This is affecting many aspects of daily life for almost every American. Our office staff is following the CDC guidelines of staying home when not feeling well, seeking medical help when necessary, and washing hands constantly.

We encourage you to follow the same guidelines located at **coronavirus.gov**.

The phrase “**We’re all in this together**” is more meaningful now more than ever.

### What are we doing?

We are still providing a **FREE newsletter to your community**.

This newsletter is FREE to your community because we partner with local and regional businesses to advertise their products and services in this newsletter.

We are temporarily reducing publishing expenses so we can continue to publish your newsletter long term. For your community newsletter this may include:

- Limiting color printing and switching to black and white when able
- Making sure the page count of each newsletter is in line with current advertiser support
- Verifying the number of newsletter copies needed so we don’t print too many newsletters

### What can you, as a community resident, do?

Utilize the businesses in your newsletter.
