## President's Message

by Warren Murphy, President

The board approved the 2021 Budget and Monthly Assessment at the October meeting. There will be no change in the Monthly Assessment for 2021. The board also approved two resolutions that defined how far a driveway could be extended (widened) when replacing your driveway with either pavers or concrete. Our original standard did allow the driveway to be extended with ARC approval but it failed to define how far. It now states that the ARC Committee may approve driveways that extend to the line of a side wall at either side of a garage.

After consulting with our attorney, the board voted to delay the Annual Members Meeting and Board Election scheduled for December. There are certain emergency orders currently in effect that make it difficult for us to give homeowners the required 60 day notice for the Annual Meeting. This decision is also based on safety concerns related to the pandemic.

The board voted not to approve a request to start karaoke due to the current restrictions and safety concerns associated with the pandemic.

Pete Purdy and Herb Powers were reappointed as Parkview's delegates to WHOA.

There have been several complaints that some pet owners are not picking up after their pets. Besides being unsightly and smelly, animal waste can be hazardous to the health of our chil-

dren who play in the community and other pets. One of the most common forms of disease transmission between dogs is through fecal matter.

Another disturbing trend that's been reported is some pet owner(s) have been throwing their bags of pet waste in the conservation area. This is a violation of our HOA rules and Orange County Conservation regulations. Both could result in fines. If you know or see someone doing this or any dumping or littering in the conservation areas please report it to Nicole.

By taking a few simple steps to clean up after your pet, you can contribute not only to the beautification of our community, but also towards the elimination of one of the most irritating nuisances in our community. Thank you for your cooperation.

**A friendly reminder that our yards will be mowed the first week in November and then every other week until April.**

Please remember to complete an ARC form BEFORE you start any projects on the outside of your home. If you have any question on whether you need ARC approval for your project please call Nicole. ARC forms are available in the clubhouse, online, and on the back of this newsletter. The office number is 407-239-3404 and our website is hoaparkviewpointe@gmail.com. Hope you are able to join us at our next Zoom meeting on Thursday, November 19, at 7:00pm.

I hope everyone has a safe and happy Thanksgiving!

## NOTES FROM

With the holidays approaching, decorations and lights will soon be hoing up so the association would like to remind everyone that all exterior decorations must be removed 30 days from the date of holiday. Also, please remember to test your smoke detectors and fire extinguishers to ensure they are functioning properly and accessible for any emergency situation.

Friendly reminder: Pool & Spa Hours: Dawn to Dusk

Please remember it is getting darker earlier. With that said the Pool & Spa hours will change.

Everyone have a safe and wonderful Thanksgiving Holiday!

## HELLO EVERYONE!

We held our yearly tournament in spite of the circumstances with the virus and we were able to have a wonderful and successful time. This year we did not hold a dinner to celebrate because we are not eating at restaurants. We are being challenged beyond belief however, we have been able to continue to play golf safely and still enjoy ourselves. My hope is that everyone stays healthy. Winners of the tournament this year are as follows:

**SUPER A FLIGHT:** First Place: Santiago Lopez. Second Place: Bill Marcontell. Third Place: Joe Lee.

**A FLIGHT:** First Place: Charles Bradley. Second Place: Felix Millan. Third Place: Rich Marble.

**B FLIGHT:** First Place: Ira Fleckman. Second Place: Rita Behnken. Third Place: Joe Porter.

**C FLIGHT:** First Place: Donna Marcontell. Second Place: Jim O'Shaughnessy. Third Place: Frank Velez

## CLOSEST TO THE PIN:

Don Groesbeck, Charles Bradley, William Flores, Dan Pemble, Joe Lee, David Rosello, Dennis Wolfe.

Williamsburg Golf Association is still happy to accept new members. Please continue to mention it to any friends and/or family. The larger the group the better our negotiating power. We accept ladies too! Call me with any new members information and I will get them set up quickly.

From: **"Golf One-Liners":**

*In primitive society, when native tribes beat the ground with clubs and yelled, it was called witchcraft; today, in civilized society, it is called golf.*

## LEARN FROM BODY LANGUAGE

What can people's movements and physical behaviors tell you about what they're thinking? The Cracked website offers these insights into seeing into other people's minds:

- **Mirroring.** If someone is genuinely paying attention to you, they'll start to mirror your movements and gestures.
- **Head tilt.** This can signify interest in what you're saying-the other person tilts his or her head and leans an ear toward you.
- **Hands.** People who feel strong and confident spread their fingers wide. People who are insecure will tighten their fingers, or hide their hands altogether.
- **Baby cradling.** Holding a baby with the left arm, regardless of left- or right-handedness, is a natural human instinct. If someone is holding a baby with their right, the person may be depressed or stressed.
- **Doodles.** People who doodle predominantly with straight lines tend to be more fact-oriented. Curving strokes signify that the person is more creative and flexible.

## Weber Environmental Services, Inc.

October 21, 2020

To our valued customers in Parkview Pointe,

We want to thank you again for your continued business and for allowing Weber Environmental Services, Inc. (W.E.S.) to provide our landscape maintenance services for your community.

Beginning in November, W.E.S. will be providing mowing services to the property every other week until April 2021 when weekly services resume.

We will also be fertilizing all turf with granular fertilizer in November so please make sure your irrigation systems are on and working properly. Sprinkler heads that remain in the stuck up position need to be replaced as this is a part of general maintenance and to prevent mowers from breaking them off at the shaft. Any residents that need to be added or taken off the horticulture list need to contact Nicole at the clubhouse office to make any changes.

As we have all seen excessive rainfall amounts this year in the Central Florida area, water drainage has been an issue in some of the yards. W.E.S. offers drainage repairs and installations as well as many other services such as irrigation repairs, brick paver installation, arbor care, and landscaping renovations. Please contact us for an estimate on any of these services.

Sincerely,

Your Friends at Weber Environmental Services, Inc.
