## President's Message

by Warren Murphy, President

Due to the sharp increase in COVID cases we were unable to meet at the clubhouse in August. We will continue to keep you posted on any changes to our meeting schedule. Unfortunately for now the safest way for all of us to meet is by Zoom.

The Construction Committee Chair, Pete Purdy, presented the proposals for sheers for the great room windows and doors, the kitchen pull down curtain, and for the completion of the kitchen renovation. Because one of the proposals was submitted late, Pete asked the Board if we would delay a vote since the Construction Committee had not had a chance to review all of the proposals. The Board decided to table a vote on these items. The Board approved a proposal to replace the doors and door frames at the North pool. This also includes some stucco repair to the building and some cosmetic repairs to each restroom.

The Board agreed to have Weber remove the century plants that are in the clubhouse pool area. These plants are starting to get quite large and there is concern about how dangerous their spiny thorns can be especially to children. Weber will try to relocate these plants to other areas of our property where they won't pose a safety concern. The Board decided to get an estimate on the cost of adding pavers to the gravel area between the pool deck and the tennis courts. This would certainly add some much needed

room. It was also decided to explore the possible options for plants and/or planters to be placed along the great room windows. Please remember that we are planning to have a Community Yard Sale on Saturday, October 16 from 8am - 2pm. In the event of inclement weather the makeup date will be Saturday, October 23. The yard sale will take place at each homeowners house and there is no cost for anyone that wishes to participate. If you have any questions please contact Nicole.

Before you start any projects on the exterior of your home, driveway, including the planting or removal of trees and shrubs please remember that you are required to complete an ARC form. If you have any questions concerning your project please call Nicole at the clubhouse. The ARC forms are available at the clubhouse, on our website, and on the back of this newsletter. The office number is 407-239-3404 and our email address is [hoaparkviewpointe@gmail.com](mailto:hoaparkviewpointe@gmail.com). Our Community Standards, the BOD meeting minutes, the monthly newsletter, and other HOA documents can be found on the Parkview Pointe Website: <https://greystone.cincwebaxis.com/96/home>.

We hope you are able to attend our next meeting on Thursday, September 16, at 7:00pm.

## NOTES FROM GREYSTONE

MANAGEMENT COMPANY

*Craig Williams, LCAM,  
Greystone Management*

We hope our Parkview Pointe families are safely enjoying this warm summer season. As we all know, this recent months have bestowed erratic weather conditions and at times, without much notice. With that being said, we ask homeowners to be mindful that we are in the middle of hurricane season. Please make sure all loose items around your homes are tied down and/or securely stored away. Please make sure your trees or palms are trimmed to avoid any damages to your home or a neighbor's property. Below are some helpful hints to help you prepare for a storm.

### **Emergency Preparedness Items**

- Prepare a car kit to include a flash light, jumper cables, tool kit, etc.
- Make sure to have NOAA Weather Radio.
- Make sure to have an extra Fire Extinguisher.
- Make sure to have an inventory of all personal and household items.
- Cell Phone Emergency Contact. Save ICE on your cell phone under contacts with your emergency contact information just in case.
- Make sure to have enough bottled water and canned goods stored away in your pantry.

### **Architectural Applications**

During recent inspections we noticed several homes that have made modifications to the exte-

rior of their homes without following the proper protocols. Although we appreciate your efforts, we need to make sure that the appropriate architectural applications have been completed and submitted for approval. Applications are available online and at the clubhouse. Don't forget to submit your architectural modification forms if you are planning to paint, re-landscape, put in borders, change windows or your roof or make any changes at all to your home. The ARC Committee meets the first Thursday of every month. If you have any questions regarding this process please contact Greystone Management or Parkview Pointe HOA Office for further assistance. Please remember that application processing can take up to 30 days. All applications must include a copy of your property survey showing the location of the improvement you are requesting. Incomplete applications may cause a delay in processing.

### **Community Violation/Enforcement**

We all love to come home to a well maintained community where we are proud to call home. Please note that Greystone Management performs their property inspections monthly to preserve this beautifully maintained community as well as preserve the property's value. If you received a notice and have any questions or concerns or would just like to report that the violation has been remedied, please contact our office at (407) 239-3404 or email [hoaparkviewpointe@gmail.com](mailto:hoaparkviewpointe@gmail.com) and we would be happy to assist you. ## IN REMEMBRANCE

*By Joe Grelish*

Friends and Neighbors,

This month (September 11th) marks 20 years since the finest country of all time was brutally and viciously attacked by 19 cowardly extremist.

Some of you reading this may have been in grade school when this atrocity occurred. Everyone over the age of 30 knows exactly where they were, and what they were doing when the Earth was changed forever. We all have our own story to tell about that day, and the subsequent weeks, months and years.

What about the 3,000 (+ or -) Americans (with ethnicities from over 100 different countries) that never got the chance to continue their stories?

Each of them were at work, or flying to their destinations, unaware of their fate and unspeakable demise. Many of them died instantly, others leapt to their deaths as their bodies were lapped by flames from jet fuel. Some were crushed to death, and others succumbed to smoke inhalation.

The world must never forget this nefarious act conducted on innocent civilians in New York, Washington DC and thankfully a rural field in Shanksville, Pennsylvania.

What occurred on December 7th, 1941 was also cowardly. We will never forget that date as well.

In both cases our country became unified and focused with a resolve that every country on Earth noticed. The American's are coming. The only way to maintain peace is through diplomacy and military strength. When neither of those avenues work, and the homeland is attacked, there must be an immediate and powerful response.

The relatives, coworkers, friends and neighbors of the thousands killed on September 11, 2001, and in the subsequent years understand.

They never got to share in the weddings, family functions, holidays, sporting events,

etc of the 3,000 brutally murdered on September 11, 2001.

Friends and Neighbors, NEVER FORGET. Hug your family members and mend the relationships, for one never knows the time, the day, or the place.

Welcome September, and hopefully a cool down for us die-hard golfers. That is why we play so early to avoid this extreme heat and besides we are home in time for lunch! Hahaha.....

I am excited to welcome to new members, Robert Kenyon and Edwin Marrero. Thanks guys for joining us. We are so happy to have you. Lately I have been getting some inquiries but they cannot play on Wednesday mornings because they are still working! What does that word mean? Remember our league meets every Wednesday morning, at Remington Golf Course. Tee off is 7:30AM. On the last Wednesday of each month, we play a Scramble. Invite any friends or family to join us, we are always looking for new victims!

### **Closest to the Pin:**

Efrain Ruiz, Robert Kenyon, Frank Velez, Santiago Lopez, Juan Romero, Ira Fleckman, Bobby Randolph, Dan Pemble, Roberto Rivera, Alan Gary, Joe Lee and Dennis Wolfe.

As a close friend recently told me "I don't care what religion or political beliefs you have, just use your turn signal." Enjoy your month.

## BOOK DISCUSSION GROUP

"The wonderful thing about books...is that they take us out of our time and place and understanding, and transport us not just into the world of the story, but into the world of our fellow readers, who have stories of their own." Annie Barrows makes this comment in her afterword in *The Guernsey Literary and Potato Peel Pie Society*, our August read. So true.

Our September selection is historical fiction. Join us on Monday, September 13th at 1:00 pm. We will discuss *The Book Woman of Troublesome Creek* by Kim Michele Richardson. Kirkus review: "A unique story about Appalachia and the healing power of the written word."

## PATRIOT DAY IN THE UNITED STATES

Patriot Day is an annual observance on September 11 to remember those who were injured or died during the terrorist attacks in the United States on September 11, 2001. Many Americans refer to Patriot Day as 9/11 or September 11.

## MISSING INGREDIENT

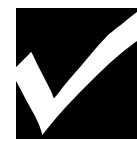

A food critic visited a local restaurant to review its food for the local magazine. The owner welcomed her and showed her to a table.

After a while, the critic called the owner over to say that there was something missing in her bowl of soup.

The owner asked if it was too spicy, too sweet, or too salty. The critic said no, so the owner decided to taste the soup himself.

"Give me a spoon."

"That's what's missing," said the critic.

Check out page 8 of the Williamsburg Times for Parkview Pointe's calendar page.
